Old Montana Employee Dies

"Tonopah, June 16 - Henry T. Crump, sixty-three years of age, employed as watchman at the Montana Mine, was found dead in bed Thursday morning when Mrs. Clara Galvin called to see if he needed any nourishment. Crump quit work the night before saying he was not feeling well as he had a pain over the heart and Mrs. Galvin, wife of the chief of police, gave him milk toast and saw that he was comfortably settled for the night.

A coroner's jury returned a verdict that death was due to heart disease. Four years ago Crump's eldest son died and shortly after his youngest son Robert, married and moved to Reno.

During the prosperous days of the Montana Mine deceased was employed as a clerk in the company office."
