

Daughter of Edward M and Edith Blanchard Kirchen. Sister of John Philip Kirchen

Tonopah Daily Times, 30 Jan 1923: "Dorothy Kirchen passes into rest. Universal sympathy was expressed yesterday when news of the death of little Dorothy Ann Kirchen, daughter of Mr. and Mrs. Ed. M. Kirchen gained circulation. The child was ill for two weeks only and the fatal termination was not expected. The end came at 3 o'clock yesterday when the spirit of the household favorite loving referred to as "Dodo" winged its flight from earthly care. The cause of death was rheumatism with complications. "Dodo" was an exceptionally bright child who would have been eight years old next March and occupied a premier position in the second grade. One of the child's wonderful endowments was her faculty for remembering every incident of her books. In home and among her playmates she was distinguished a happy joyous disposition. The funeral which will occur this afternoon from the home of the parents, Will be private."
