

Birth year based on age on headstone.

Michael became a naturalized citizen on 5 May 1884 in District Court, Hawthorne, Esmeralda (now Mineral), NV.

He may have been born in England as there is a record of Michael arriving back in this country at New York, NY on 8 Aug 1913, having departed Liverpool, England on the ship Adriatic, he was age 68 at the time. His destination appears to be Tonopah.

An emergency passport application dated 20 Apr 1922 for Michael's wife Millca who was born in Podgorice, Montenegro, states that Michael immigrated to this country on or around 1902 and had been a resident of Tonopah since that time. It also states that Michael came to this country from Cernica, Montenegro.
